Dear David,

Enclosed find deeds, agreements and attached schedules that establishes my ability to convey title to Queen of the Valley (100%) Hudson (25%) Boulder (25%) and Young Bonanza (12½%). The deeds have been recorded at the Court House in Livingston. There is no copier available in Cooke City, so please take care of the documents for me. I had planned to take the material to Billings, but the reported 100 plus degrees has discouraged the hell out of me! We started a small fire in our house this AM!

HiLand Timber, Inc is a new corporation that I'll be working through.

If I can be of any assistance, give me a call.

Sincerely yours,

Gene
